Anniversary Campaign Final Effort

Funds Needed to Erect
Physical Education Building

To Run From July 24 Through August 5

The final effort on the three-year Anniversary Campaign will take place the last week of July and the first week in August. After August 5 it will be finished regardless of the outcome.

The goal of \$350,000 very likely will not be reached. So far \$230,000 cash has been raised. The college administration would like very much to go over the \$300,000 mark. Then the main project can be launched. A physical education building is urgently needed.

Thousands to be Contacted

Thousands of homes will receive letters and be contacted for their final contribution during the time set. Even though many have done their fair share, and more, an urgent appeal is made also to them for help in this last effort.

No doubt, many are somewhat tired of hearing about the Anniversary Campaign. The college administration has also grown weary of it. If sufficient funds had come in earlier everyone would have been saved much needless hard work. However, this did not happen. And Dordt's need is still there. We can be grateful that the campaign has brought in \$230,000 thus far.

It looks as though the last effort will be a surprising success. The work being done for it in many churches promises a rewarding conclusion to the campaign.

At any rate, the constituency will hear no more about the campaign other than a report on the outcome. The help of all is prayerfully sought.

Dordt To Host Denominational Foreign Mission Conference

On August 1, 2, and 3 Dordt College will host the annual denominational foreign mission conference. The Banner has been carrying full details on speakers, program, and costs. Indications are that people from all parts of the denomination plan to attend. Sioux Center provides good facilities for those who have mobile home units. And the college can handle over 300 in the two dormitories on campus. Rates are very reasonable. For \$5.00 a day room and board is provided for each person.

The Board of Foreign Missions plans to hold the annual conference in different places throughout the denomination. Dordt was chosen as the site for the second conference. The hope is that many people in the local area will attend the meetings. Dordt is eager to have the cooperation of the local church members (six classes area). A wonderful time of Christian fellowship is in store. Families could well consider spending one or two days here. The inspiration gained will be worth the investment.
